THE CHARTER OF THE DEMOCRATIC PARTY OF GEORGIA

PREAMBLE

STATEMENT OF GOALS

We, the members of the Democratic Party of Georgia, are committed to the establishment of a Party open to all Georgia Democrats. We believe that a Party which is to call forth the best in our State will have to embody the best of our State’s traditions and heritage. We are committed to the wisdom and efficacy of the will of the majority; to a belief in the merits of a two-Party system of government which allows for diversity of groups and individuals and to the belief that our party will be strengthened by these differences. We believe in the value of the individual and that government, while protecting life, liberty, and property of individuals, must also be responsive to their collective needs and wills. To this end, we encourage full, timely, and equal opportunity for all segments of the population to participate in party affairs.

While pledging ourselves to an honest and open conduct of public affairs befitting the traditions of a people dedicated to a free and just society, we seek to protect and enhance political freedom of all people and to encourage the meaningful participation of all citizens within the framework of the United States Constitution and the laws of the United States and the State of Georgia. We believe that this Charter and our Bylaws confirm a Party strengthened by its differences and armed by its devotion to the principles of a moral and ethical society.

SECTION 10: INTERNAL ELECTIONS

Elections carried out by the DPG State Committee, its caucuses, county committees, or any other sub-entities shall be in accordance with any election-specific provisions in these bylaws or DPG Charter, the systems provided in this section, any rules published by the DPG Executive Committee, and any provisions in an approved set of County Committee Bylaws.

Prior to being applied during an election, rules issued by the DPG Executive Committee affecting voting systems must be passed and published at least 30 days prior to an election or the shortest election-specific notification period, whichever is longer.

No election systems may be used which are not provided for in this section, provided for by a rule established by the DPG Executive Committee or provided for by the approved set of County Committee Bylaws.

For every election, the election system to be used shall be announced concurrently with the other election details and is subject to the same notification requirements for the other details affecting the election in question.

For the purposes of this section, a single-winner election shall be defined as any election in which the position in question shall be filled by one single individual. For multiple-winner elections, this voting system may be used, subject to modification, to include any mandated diversity requirements. The candidate receiving the most votes shall be seated first. The candidate of a different gender receiving the next most votes shall be seated second. This process will continue similarly until all the allotted positions are filled. If there is not a remaining, unseated candidate of a different gender, that position shall be filled by the candidate with the next highest number of votes.

For purposes hereof, “cause” shall be defined as failure to perform their duties as specified from time to time by the Executive Committee or any of the reasons provided in BL2.08.02 hereof.
BYLAWS ARTICLE VI: EXECUTIVE COMMITTEE

SECTION 1. AUTHORITY AND DUTIES

BL6.01.01 The Executive Committee shall act on behalf of the State Committee between State Committee meetings.

BL6.01.02 The Executive Committee may act by subcommittees of its own choosing.

BL6.01.03 The Executive Committee may:
   a) Issue rules and regulations regarding procedures used by the State Party.
      1) All rules shall be filed with the Secretary of State to be effective.
      2) All rules shall specify an effective date.
      3) The State Committee shall be notified of any changes within seven days prior of the effective date.
      4) The State Committee may review and change any rules at its discretion.
   b) Devise and implement a system to allow participation in meetings by electronic or other means rather than require personal attendance.
   c) Devise and implement procedures to allow voting to be conducted by email, telephone, or any other means, or by the use of proxies, when the State Chair of the State Party declares that the use of alternate voting methods is appropriate for the issue requiring a vote, subject to review by the Executive Committee.

SECTION 2. MEETINGS

BL6.02.01 Regular meetings of the Executive Committee may be set by the State Chair or a majority of the Executive Committee.

BL6.02.02 Special Meetings of the Executive Committee may be called by the State Chair or at least one quarter (1/4) of the membership of the Executive Committee upon receipt by all members of written notice at least two (2) days prior to such meeting. Such notice may be given electronically.

SECTION 3. QUORUM/VOTE

BL6.03.01 A quorum for the conduct of Executive Committee business shall be a majority of the membership of the Executive Committee. A majority vote is required for passage of Executive Committee actions. No confidentiality agreements shall be required to be filed with respect to matters other than meetings in Executive Session.
SECTION 1. COUNTY COMMITTEE DISTRICTS AND APPORTIONMENT PLAN

BL7.01.01 Each County Committee shall determine the County Committee Districts and Apportionment of the County Committee and include such determinations in the Bylaws of that County Committee. Newly organized County Committees may designate their county as a single District for the purpose of organization for up to one year from the date the County Committee was put into formation. Changes in County Committee Districts or Apportionment shall be filed promptly with the State Chair and the County Election Superintendent. Information to be filed shall include the designations and boundaries of County Committee Districts, the approximate number of persons residing within each such district, the number of County Committee members to be elected from each district, and any reasons for unequal districts if such districts are designated. For purposes of these Bylaws, a County Committee shall only be considered “new” if no County Committee for the County accepted filing fees and acted as the qualifying agent for local County elections for the most recent local elections held in such County.

BL7.01.02 In establishing County Committee Districts and allocating Committee Posts, the County Committee shall make a good faith effort to ensure that all segments of the population, including minority populations, are fairly and evenly represented on the County Committee. Where practicable, the County Committee shall apportion each County Committee District so that each district contains a substantially equal population. Unless impractical, each County Committee District shall be represented by an equal number of Committee members, and where representation is unequal, such districts shall be apportioned as nearly as practicable to population.

BL7.01.03 Within twelve (12) months of organizing pursuant to Section 7.01.01 above, each County Committee shall apportion at least four (4) County Committee Districts. Such County Committee Districts may be apportioned on the basis of County Commission Districts or any other county or municipal districts or portions thereof as long as they are apportioned to ensure that each district contains a substantially equal population. For counties with a population greater than 250,000, State Senate Districts or State House Districts may serve as the basis for apportionment.

BL7.01.04 Each County Committee shall establish County Committee Districts and allocate Committee positions following any census at which reapportionment of the General Assembly is mandated, within a time designated by the State Chair. A County Committee may also establish County Committee Districts as necessary, provided the County Committee does so in an odd numbered year. Furthermore, the County Committee may, at any time, vote to change the number of posts allocated per County Committee District.

BL7.01.05 An individual who voted in the most recent Democratic Primary and who is a member of the State Party shall have standing to challenge the drawing of County Committee District lines or the allocation of County Committee positions on the grounds that such districts or allocation preclude or substantially diminish fair representation for significant segments of the population.

SECTION 2. CHALLENGE TO THE COUNTY APPORTIONMENT PLAN

BL7.02.01 Challenge of the Apportionment Plan may be made by executing a petition, setting forth the objections, and by filing the petition with the Chair or Secretary of the County Committee.

BL7.02.02 The petition may be filed at any time, provided, however, that after a primary election held by the State Party, the relief granted in the case of any successful petition may take into account the fact that the petition was filed subsequent to the date on which members of the County Committee were last elected insofar as the relief may be prospective rather than retroactive, and thus allow elected members to continue to hold their office until the next election.
BL7.02.03 The County Committee shall have forty-five (45) days from the date of receipt of a validly filed petition to meet and rule and/or act upon such petition. If the County Committee does not rule and/or act upon the petition within said time, the County Affairs Committee shall have full jurisdiction to hear the challenge, as set forth in Section 7.02.04 below.

BL7.02.04 If the response by the County Committee to the petition is unsatisfactory to any petitioner, or if the County Committee fails to act within the forty-five (45) day period set forth in Section 7.02.03 above, one may file an appeal in writing to the County Affairs Committee of the State Party within thirty (30) days from the earlier of (1) the date of the decision by the County Committee or (2) in the event of failure to act on the petition on the part of the County Committee by the expiration of the forty-five day period set forth in Section 7.02.03 above, the expiration of such forty-five (45) day period. The County Affairs Committee shall thereafter have sixty (60) days from receipt of the notice of appeal to hear the matter and render a decision and/or fashion an appropriate remedy.

BL7.02.05 In acting on such challenge or appeal, the County Affairs Committee shall have authority to (1) appoint such fact-finding body as it considers necessary and appropriate and may act on the basis of those facts determined by such fact-finding body, and (2) to render any decision and/or fashion appropriate remedies including, without limitation, expulsion of or expansion of the County Committee through the appointment by the County Affairs Committee or by local caucus of additional members, the establishment of a redistricting plan to provide for the election of County Committee members at a special or other election, or any combination of such relief. Copies of any such decisions of the County Affairs Committee shall be delivered by the County Affairs Committee to the State Chair, the First Vice-Chair, the Executive Director, and the General Counsel, and such rulings shall not become effective for thirty (30) days thereafter, during which time any one or more of the aforesaid officers and officials of the State Party may refer the matter to the Executive Committee, which shall review the ruling as provided in Section 7.02.06 below. No ruling of the County Affairs Committee pursuant to this Section 7.02.05 shall become final if the same is pending before the Executive Committee, until the Executive Committee rules thereon.

BL7.02.06 Any party to a proceeding under this Section 2 of Article VII who is not satisfied with the ruling issued by the County Affairs Committee pursuant to Section 7.02.05 above, may, within thirty (30) days of the date of such ruling, file an application for discretionary review with the Executive Committee of the State Party, which may, if it desires in its sole discretion to do so, review the County Affairs Committee ruling and render a final decision thereon.

BL7.02.07 This Section 2 of Article VII shall not be construed to require or constitute the implementation of any quotas, and the failure to have a certain number of minority members on the County Committee shall not be deemed in and of itself to set forth a conclusive ground for a challenge. Such underrepresentation shall, however, constitute proof of violation of Article VII, Section 1 in the absence of a countervailing showing that sufficient efforts were made to comply with the requirements of Article VII, Section 1.

BL7.02.08 Whenever this Section 2 of Article VII requires that an act be done within a specified period of time, such period of time may be extended by mutual consent of the parties to the subject proceeding.

BL7.02.09 Any notices required to be given pursuant to the provisions of this Section 2 of Article VII shall be required to be either hand delivered or mailed by registered or certified mail, return receipt requested to the appropriate opposite party, and shall be deemed to be delivered as of the date of receipt of any hand delivery or the date of the signed receipt for the registered or certified mailing.

SECTION 3. DESIGNATION OF POSTS AND TERMS

BL7.03.01 Each County Committee shall designate one-half (1/2) of the elected Committee Posts to be elected in Gubernatorial election years and one-half (1/2) to be elected in Presidential election years.

BL7.03.02 The minimum number of elected county committee members shall be one (1) for every 10,000 in population, or ten (10), whichever is higher.
SECTION 4. SELECTION OF METHOD OF ELECTION

BL7.04.01 The method of election shall be by County District Caucus. Elections for County Committee members shall be held within forty-five (45) days following the General Primary. The County Committee shall set the date, time and place of the caucus. If the County Committee fails to do so, the Congressional District Chair shall set the date, time and place of the caucus elections.

BL7.05.03 Any registered voter residing within a County Committee District may vote and/or run to represent that County Committee District after declaring themselves to be a Democrat.

BL7.05.04 The election and voting shall be conducted in accordance with the provisions set forth in BL1.10.01.

SECTION 6. ELECTION OF OFFICERS

BL7.06.01 Each County Committee shall elect its officers no later than December 31 of the appropriate year. The new chair shall, immediately upon taking office on January 1st, notify the State Chair and appropriate Congressional District Chair of their election.

BL7.06.02 Each County Committee shall elect from its membership a Chair, two or more Vice-Chairs, a Secretary, and a Treasurer. Where available, at least one of the Vice Chairs shall be of a different gender to the Chair. In addition, the County Committee shall elect such other officers as deemed necessary. The election and voting shall be conducted in accordance with the provisions set forth in BL1.10.01.

BL7.06.03 Each Committee may provide for the election or appointment of such sub-committees as they deem necessary.

BL7.06.04 The Chair, Vice-Chairs, Secretary, and the Treasurer of the County Committee shall serve two-year terms, beginning at the close of the meeting at which they are elected. The County Committee may delegate this responsibility to a Municipal Executive Committee as provided for in the Georgia Municipal Code. Such Municipal Primary Committee shall be comprised of three or more citizens from
the municipality and shall be empowered by such designation to perform all the duties and responsibilities required by the Georgia Municipal Election Code in connection with the conduct of a Municipal Primary. It shall be the responsibility of the County Committee, at the time it certifies its members and officers with the State Committee, to file with the City Clerk of each municipality concerned, the Secretary of the State of Georgia, and the State Party, the names and addresses of the members and officers and other information required in the Georgia Municipal Election Code for each such Municipal Primary Committee, or to certify that the County Committee will serve as such Municipal Primary Committee. Notwithstanding the foregoing, the provisions of the Georgia Election Code shall control the responsibilities provided herein and the County Committee shall see that it complies with all such provisions.

The notification to the affected person shall be given with at least a ten (10) day notice prior to a hearing, by email copying the Congressional District Chair, the Vice Chair of Congressional District Chairs and County Committees, and the elected members of the County Committee.
